

Is this a 1-Way Groomer Pick-Up?

What you need to know about Pick-Ups

- Groomers expect to be paid when your pet is picked-up.
- You will need to make arrangements to pay your Groomer in advance. If your Groomer accepts paper checks, our Pet Taxi Experts can pass on a completed check for you. Pet Taxi Experts do not pass on cash or debit/credit cards.
- Pet Taxi Experts do not evaluate the quality of the groom that your pet received. If there is a dispute, you will need to contact the Groomer you chose directly.
- If a Pet Taxi Expert notices any cut or injury to your pet, you will be contacted immediately.
